If evidence of fraud is found, the fraudulent party shall suffer repercussions of crime and shall be addressed in a court of law. Repayment of all accrued expenses and court costs shall be paid for by the party and or individual found guilty of tampering with the votes; and

Article 50

The People agree School boards do not have the authority to mandate or vaccinate children. They also do not have the right to arrange police protection outside or inside the facility to do so, as it will infringe upon the rights of the parents and or guardians to voice opinion or remove their child (personal property) from the facility at any time. Any action of this magnitude will result in reconstruction of the entire school board and staff at the will of the People within its jurisdiction, followed by a class-action lawsuit auditing the behavior of faculty and staff. Anyone, whistle blower or any staff who seeks justice for this type of behavior may find amnesty from the repercussions and or penalties the perpetrators will receive, for upholding a civil duty. Any complacency on anyone's part that harmed one of the People or the Peoples property will receive the same punishments as the guilty parties

and or be held accountable. It is by law our civil duty to uphold the Laws of the Land and protects its inhabitants: the People.

Any school in the State of Virginia that is receiving federal money, “Elementary and Secondary School Emergency the Relief Fund” (ESSER Fund) must provide full disclosure of how these funds are used. Any surplus of funds leftover from the payment of these funds gets distributed among the residents of the school district by reduction of their property taxes.

The “Elementary and Secondary School Emergency the Relief Fund” (ESSER Fund) must be used for the educational purposes and highest integral purposes for the children of the schools in the State of Virginia.

Article 51

The People agree Hospitals must provide tangible proof of any considered or registered deaths due to Covid-19/SARS claimed as the actual cause of death. Facilities shall receive no award and or special funding for individuals who do pass away of Covid-19/SARS within the facility. Protocol for Covid 19/SARS respiratory distress should be handled by means of protocols already put in place for such respiratory exasperations, such as nebulizer treatments, oxygen, proper setting on ventilator machines if at all needed after proper protocols have been implemented and proper medicine dispensed. This leaves no room for agencies to monopolize on the sickness of their patients or implement an anti-human and harmful agenda within the facility. The publication of recent studies on the effectiveness of the Covid-19/SARS vaccine and the high survival rate of infected persons shall be available for review. Families should not be physically constrained from loved ones suffering this virus while hospitalized and proper protective equipment should be provided by medical staff for visitors. Each facility and individual employee involved will be held accountable for any misconduct in this regard. Again, whistleblowers may receive some amnesty for upholding this Bilateral Social Compact Agreement and civil duty.

If a death occurs from Covid-19/SARS due to improper protocol delivery issuing the medication “Remdesivir”, which causes kidney and liver failure, the hospital and medical staff will be held lawfully accountable if they cause harm by misdiagnosing in order to generate a profit; and

Article 52

The People agree any Black Lives Matter (BLM) promoting agency is required to provide and itemized breakdown with 3rd party proof, of its investments and allocation of funds accrued. This is to protect and ensure the People of this movement from misallocation of funds that would be deemed harmful or ineffective within the community it is trying to protect; and

Article 53

The People agree Hospital birth protocol to record and submit Birth Certificates from this jurisdiction to the Secretary of a U.S. State for use in the creation of the modern day “Slave”, to become null and void as a practice in the State of Virginia, a State of The Union within The United States of America. Such protocol is dismissed as of this date, April 30, 2022 and will be replaced with a Certificate of Live Birth, recorded in history within the city and region of birth; and

Article 54

The People agree we will not recognize the Virginia BAR Association or any affiliates thereof unless they operate under this Bilateral Social Compact Agreement. The BAR Association is a foreign agent on the land that has infiltrated our Government and violates the Articles of Confederation 1781-Present by implementing private statutes and codes; and

Article 58

The People agree medicinal herbs and plants are considered natural gifts from the Creator/God therefore there shall not be any form of regulation or control over these medicinal plants. We the People of the State of Virginia do not recognize the authority of “The United States Fed.” or any Corporation claiming Government authority in the State of Virginia as a regulatory commission to determine what is authorized and not authorized in this settlement on the land known as the State of Virginia; and

Article 59

The People agree whoever brings evidence of a wrong can ask for a lawful Grand Jury to evaluate the evidence. The presentment has to be in the form of an Affidavit; and

Article 60

The People agree any form of a Sanctuary City in the State of Virginia must have full ratification by the Peoples approval by a three quarter vote before any city Government can institute a Sanctuary City. This must be brought to a Vote by the signatories of this Bilateral Social Compact Agreement.

Any City Council must provide full, complete, and true disclosure of the funding of these projects which will be included in the description of the Vote.

Conclusion of Articles

***Clause: This “Committee of Safety” of the State of Virginia has the ability to make changes or amend this Bilateral Social Compact Agreement as needed upon a three quarter majority vote.**

The People understand that our role in the social contract is to live up to this agreement, accept consequences when we do not, and continue to work to become a more responsible People and contributor(s) to society. We understand it is our obligation to know the expectations and consequences that have been developed by Virginia State Jural Assembly (OSJA) and ourselves. We understand that we have a right to voice our opinion about any rule, expectation, or consequence at any time. We do accept that once they have been established, it is our responsibility to be accountable to them, or accept the consequences. Consequences are as follows: The bonds and oaths that give you the title and position in office require you under Constitutional Compliance to uphold this Social Compact. We have the right to hold you accountable in both official and private capacity. If you trespass on these rights of the People, we have the right and the duty to seek lawful action and to follow due process of law to attain justice.
